

MARCH PROFESSIONAL DEVELOPMENT SEMINAR

How the New Lead Rules Will Impact Your Business

Certified Renovator on staff? Check. Firm certified through the EPA? Check. Now what? There is an air of uncertainty about what will happen on April 22nd, 2010 when the EPA begins enforcement of the new lead rules. Don't keep yourself in the dark about how this will impact your business. Join us to hear a panel present information and answer questions about lead and the changes it will bring to the industry and your business.

The Panel Includes:

Nancy LaPlante - EPA Lead Grant Manager/Inspector
Al Nettles - Attorney
Greg Myers - Midwest Environmental Consulting, EPA Lead Trainer
Dan Taddei - NARI National Education Director

This seminar also features an hour of energy training to satisfy Minnesota state continuing education licensing requirements.
